The Falls Cat Palace and Rescue
Celebrating 8 Years of Rescue and Hundreds Saved
Winter Newsletter ~ 2024

Dearest Feline Friends:

The Falls Cat Palace and Rescue was established in 2015, by a concerned group who saw a need to rescue abandoned cats, spay or neuter, provide shelter, food, and care for each one until a forever home could be found. Over the past nine years, we have found life-long homes for many cats in need. Moreover, we have been able to neuter/spay close to 900 cats with our neuter/spay clinics. The Neuter Scooter was purchased with donations from our generous feline friends. Our goal is to conduct 2-3 clinics per month. We welcome and are extremely thankful for sponsors for our neuter scooter clinics. Organizations, businesses, and individuals/groups of people have graciously made these clinics possible through their generosity. Many have been done in memory of a loved one. If you have a cat who needs neutering, please text us. No phone calls, please. We have achieved our goal of being able to expand our services to include female cat spaying, which requires more of a complex procedure. Thank you to the local fire departments, for their support in providing a space for our clinics.

Helping Animals, People & Communities

Income for the Falls Cat Palace and Rescue is generated by various fundraisers and the generosity of people who share our commitment to helping those who are unable to help themselves. We continue to rely on your assistance to support our mission, and we sincerely thank you in advance for whatever you can contribute. The Falls Cat Palace and Rescue is a 501 (c) (3) organization, making all donations tax-deductible.

A beautiful story... We are pleased to introduce you to one of our medical miracles...meet Percy alias Buddy. Percy was surrendered to the Cat Palace with severe medically related challenges. In summary, he was a total mess with infected ears and a myriad of other extreme medical issues. One of our cat earth angels, Mr. Don Elliott stepped in and took Percy to Black Creek Animal Hospital, in Fulton New York, to receive urgent medical treatment. Percy is now 5 months old and is thriving under the foster care of Don. He has gained weight and is doing exceptionally well, as six pounds.

(over)

Precious Percy *before and after* tender loving care.

Meet Adrian...another wonderful story of love and human compassion. Adrian was found on the side of the road in St. Regis Falls, about 3 months ago. He had been hit by a car, suffering from a broken pelvis and dislocated leg. His injuries were too severe and ended up having to have his leg amputated. Adrian is now living the dream with his wonderful foster mom, Sheri Skivers. He continues to thrive.

Thank you for your continued support!
Love from all the cats!
